### When should you call us?

Anytime that you need assistance with resource connection or if you simply have questions. We are here for the students and families of Dawson County.

### What do we do?

Assist with helping you meet your basic needs  
- Food, clothing, beds, and much more

Assist your family with resource connection - Utility assistance programs, food banks, employment, educational programs, and more

Help your child meet educational needs  
- Assist with academic support through tutoring, counseling, after-school programs, or providing school supplies

Support the family who is struggling with attendance  
- Help remove barriers to improve attendance such as transportation, mental health struggles, or behavior challenges

Help with family issues including physical and mental health concerns, safety, or delinquency  
- setting up health insurance or finding the right medical professional
